HealthAdvantage Program

Includes All Prescription Drugs:

Your free nationally recognized Health Advantage discount drug benefit provides discounts on ALL FDA approved prescription drugs. There are no limited drug lists, no waiting periods or deductibles and your card is active the moment you present it to the pharmacy!

Significant Savings:

On average, you'll save 15% off the cash price for Brand drugs and 40% off Generic drugs. In the event a pharmacy's price is lower than our discounted price you will always receive the lowest price available.

Use At Almost Any Pharmacy:

Your Health Advantage Card is widely accepted at over 50,000 participating pharmacies across the United States.

Everyone Can Save:

This plan applies to your entire family; everyone deserves to save. All family members and friends are eligible for this benefit. Please present your card every time you need to fill a prescription for instant savings. There are absolutely no restrictions.

Save Even More With Home Delivery:

Home delivery services can offer even deeper discounts on your maintenance medications.

For your convenience we have already activated your card and your savings will begin immediately. Please detach card below and present to your local pharmacy!
